

Stall Gates

Armour Horse Stalls offers several different types of stall gates to choose from when designing your barn. From Gossip Gates, to Half Gates, and even Miniature Stall Gates, we have something for everyone. Each of our stall gates is manufactured out of premium non-rusting aluminum and comes fully assembled. If you would like more information about our different stall gate options, please continue reading below.

Gossip Stall Gates

Gossip Stall Gates are designed with a zephyr-style bar top and can be ordered in a variety of different materials and styles for the lower portion of the door. These stall gate styles include: Coolbreeze, Crossbuck, Endura, Logo, Smooth, and Tongue and Groove. Our Coolbreeze Gossip Gate is made out of our non-rusting aluminum and is designed with 1" round pickets and 1" bar spacing. The Crossbuck Gossip Gate is made out of lumber and comes with the classic "x" design. Our Endura Gossip Gate is made of a smooth PVC plastic that will never rot, warp, or split. Armour's Logo Gossip Gate is designed to allow a logo or artwork to be engraved into the lumber on the stall gate. Our Smooth Gossip Gate is made out of lumber that has been sanded smooth on both sides of the stall gate. The Tongue and Groove Gossip Gate is manufactured out of #1 Southern Yellow Pine Lumber and can be ordered in either horizontal or vertical Tongue and Groove. Half Gates

Half Gates are an excellent economical option to add a gate to your barn that will keep your horses contained in their stalls. The Half Gate options that Armour Horse Stalls has available include Coolbreeze Half Gates, Crossbuck Half Gates, Endura Half Gates, Logo Half Dutch Gates, Smooth Half Gates, and Tongue and Groove Half Gates. Our Coolbreeze Half Gate is designed out of our no-rust aluminum with 1" pickets and 3" between bar spacing. The gate is 48" in width by 30" in height and is meant to be mounted at your horse's chest height. Armour's Crossbuck Half Gate is made out of lumber with the same "x" pattern as our other Crossbuck products and is 48" in width by 48" in height. Our Endura Half Gate comes in a variety of different styles including: Smooth, Crossbuck, Tongue and Groove, Chevron, Backboard, Diamond, and Crossbuck See-Through. The Logo Half Dutch Gate is designed to be used as a stylish dog or pet gate for the home. These gates can be painted to match your home décor as an alternative to traditional plastic or mesh pet gates. Our Smooth Half Gate is made out of the same smooth lumber as our Smooth Gossip Gate and can be ordered in two different sizes: 36" W x 36" H or 48" W x 48" H. The Tongue and Groove Half Gate can be ordered in either horizontal or vertical Tongue and Groove and we recommend that you stain or paint the lumber portion of the door to match your barn. Miniature Stall Gates

Any of our standard Stall Gate components can be resized into miniature form to fit any desired size. Each of our Mini Stall Gates are manufactured with the same high-quality materials and craftsmanship as all of our standard size products. The Miniature Stall Gate styles that we offer include our Coolbreeze Mini Gates, Crossbuck Mini Gates, Smooth Mini Gates, Tongue and Groove Mini Gates. Each of these mini stall gates include an aluminum frame with either lumber or aluminum bars in the panel portion of the gate. We also offer miniature versions of our standard Gossip Gates including our Coolbreeze Mini Gossip Gates, Crossbuck Mini Gossip Gates, Smooth Mini Gossip Gates, and Tongue and Groove Mini Gossip Gates. Our Mini Gossip Gates include the same styling as our standard size gossip gates including the zephyr-style gossip top, aluminum frame, and either aluminum or lumber bottom panel.
